

MD RIDHWAAN HAQUE

Data Analyst

About Me

Analytical and results-driven professional with a diverse background spanning data analysis, education, and entrepreneurship. Adept at transforming raw data into actionable insights using tools like Power BI and Excel to drive strategic decisions and improve outcomes. Proven ability to manage academic programs, lead teams, and deliver high-quality written and visual content. Combines strong communication skills with a passion for solving problems through data, making informed decisions, and creating value across business and educational environments.
